Z-BAR

pendant light

The Best of NeoCon GOLD award-winning Z-Bar Pendant is created to be a part of a modular system. Each “light bar” independently rotates 360 degrees and can be connected to create a number of standard configurations and customizable patterns to fit spaces of any size. Our online building tool is available to aid in design customization.

Suspend a set of pendants from another to simultaneously shine ambient light onto the ceiling and direct light onto a table, or create a dramatic and sculptural piece that illuminates a lobby or entryway on its own. The pendants are compatible with any dimmer, so controlling the brightness levels is simple and can be done by remote or switch.

 Wall Switch:
 Standard Finishes:
 Material:
 Maximum Cable Length:

600lm for 24" and 400lm for 16"***
 10 W for 24" and 7 W for 16"
 50,000 hours
 3,000 K
 90
 Compatible with any ELV wall dimmer**
 Matte Black, Silver, Matte White
 Aluminum, Zinc alloy, plastic
 10'

Canopy Dimensions:

Face plate contains 3 slots for Triangle,
 4 for Square and Bird, and 6 slots for Honeycomb

Potential LEED Points:

Energy & Atmosphere (EA)

Credit 1.1: Optimize Energy Performance
 LED lighting to reduce energy consumption.
 (Potential points: 3)

All color finishes use water-based paint
 LEDs do not contain mercury

Innovation In Design (ID)

Credit 1.1 - 1.4: Innovation in Design
 The Z-Bar Pendant is created to work within a modular system,
 and it can connect and transform into a number of configurations.
 Each light bar can rotate 360 degrees to shine dimmable ambient
 or direct light, according to your preference.
 (Potential points: 4)

***3000lm for Single Honeycomb (24") with ceiling mount canopy, 6000lm for Crown (24")
 **Remote transformers are only compatible with 0-10V dimmers
 ***Crown shape only available with RTM option
