royyo

pendant light

Designers
Kenneth Ng & Edmund Ng

The Royyo Pendant Light features a clever and discrete wiring system that makes for a contemporary silhouette. The circular design shines bright light wherever you need it. Combine multiple Royyos together to make a stunning focal point, or hang just one for a minimalist statement.

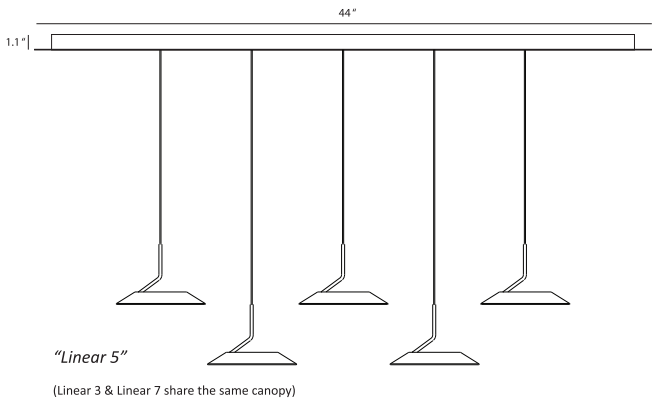

Lumens:	600 per light head
Energy Consumption:	11 W
Rated Lifespan:	50,000 hours
Color Temperature:	3,000 K
Color Rendering Index (CRI):	90
Standard Finishes:	Matte Black, Silver, Matte White with Gold, Chrome*
Material:	Aluminum, plastic
Suspending wires:	Silver

*L3, L5, L7, C3, C6, C13, C19 configurations in Chrome come standard with white canopies. Every other finish, and all S1 configurations, come standard with canopies that match the respective pendant finish.

RYP-__ - SW - ___

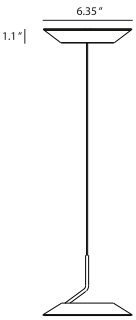

- S1 = Single
- L3 = Linear 3
- L5 = Linear 5
- L7 = Linear 7
- C3 = Circular 3
- C6 = Circular 6
- C13 = Circular 13
- C19 = Circular 19

- MTB = Matte Black
- SIL = Silver
- MWG = Matte White with Gold
- CRM = Chrome

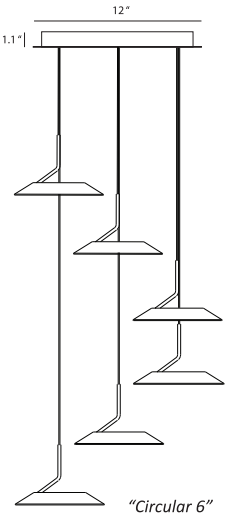

"Linear 5"

(Linear 3 & Linear 7 share the same canopy)

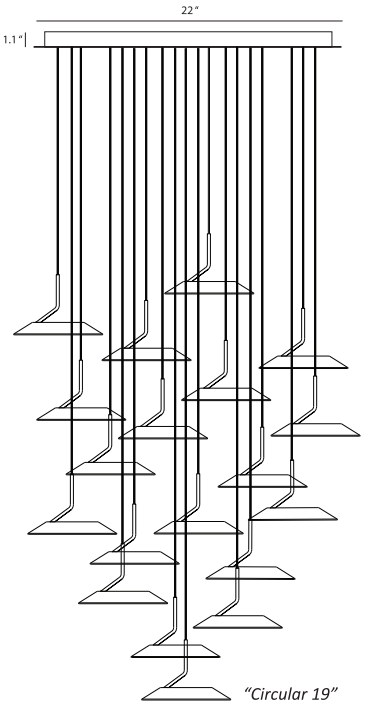

"Single"

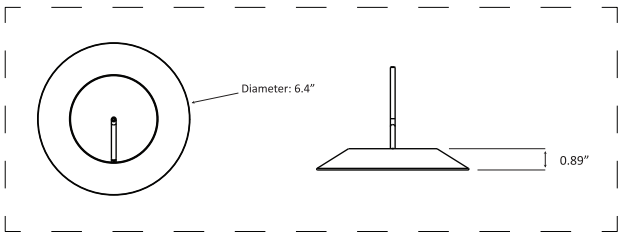

"Circular 6"

(Circular 3 shares the same canopy)

"Circular 19"

(Circular 13 shares the same canopy)

Potential LEED Points

Integrative Process *(Possible 2 points)*
To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.
Koncept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

Interior Lighting *(Possible 2 points)*
To promote occupants' productivity, comfort and well-being by providing high-quality lighting.
All Koncept's task lighting products provide more than three lighting levels that are easily adjustable by occupants to suit their needs. Furthermore, all Koncept's task lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provides the opportunity to reduce overhead lighting.
