# Z-BAR

pendant *rise*

The *Rise* is a three-dimensional addition to the Z-Bar Pendant line. Available in five different geometric configurations, these contemporary and minimalist pendants consist of modular light bars that independently rotate 360.° Direct the top light bars up to the ceiling and the bottom bars down to enjoy both ambient and task light. Optional acoustic panels are available as an attractive solution to sound absorption.

*Designers*  
Kenneth Ng & Edmund Ng

Lumens: 18" x 18" Square: 2,100  
 26" x 26" Square: 3,000  
 50.5" x 50.5" Square: 8,900  
 40" x 14" Rectangle: 3,000  
 56.2" x 14" Rectangle: 5,350  
 Energy Consumption: 18" x 18" Square: 40 W  
 26" x 26" Square: 40 W  
 50.5" x 50.5" Square: 140 W  
 40" x 14" Rectangle: 40 W  
 56.2" x 14" Rectangle: 84 W  
 Rated Lifespan: 50,000 hours  
 Color Temperature: 3,000 K  
 Color Rendering Index (CRI): 90  
 Brightness Adjustability: Compatible with any ELV wall dimmer  
 Standard Finishes: Matte Black, Matte White, Silver  
 Material: Aluminum, Zinc alloy, plastic  
 Cord: 10'  
 C-UL-US Certified

### Potential LEED Points

**Integrative Process** (Possible 2 points)  
 To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.  
 Konzept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

**Interior Lighting** (Possible 2 points)  
 To promote occupants' productivity, comfort and well-being by providing high-quality lighting.  
 Konzept's portable task lighting products provide more than three lighting levels that occupants can easily adjust to suit their needs. Users can achieve dimming control for most hardwire lighting products by implementing standard ELV dimmers. Furthermore, all Konzept lighting products use high quality LED light sources with CRI over 80 (over 90 for hardwire products) and L70-rated lifespan over 50,000 hours. Desktop and task personal lighting also provide the opportunity to reduce overhead lighting.
