Next Generation Luminaires 2013

Best of NeoCon Silver 2012

Sobre rises above your work surface to provide both ambient and task light. The LED light bar rotates to shine directly down onto your desk, or up for beautiful ambient light. Ideal for long tables or public areas, multiple Sobre units can be connected together. Sobre mounts onto your desk via clamp or through-table mount. An occupancy sensor and dimmer control is available separately.

LEED Information

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems. Koncept's LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Koncept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting. Koncept's entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs. Furthermore, all products utilize high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours.
